Approving an Employment Action

Once an Employment Action has been successfully submitted it flows through the appropriate approval(s) based on structural authorization. Approvers can approve, reject, edit or delete an action. Depending on established workflow for your area, there may be one or two approvers required for your action. Actions are loaded directly into SAP after an action has been successfully approved by the required approvals.

1. The “Approvals” tab presents action(s) that have been submitted and are awaiting approval. The circle next to the tab indicates the number of actions that need attention. If the circle is grey with a “0” it means no action(s) are pending. Users who have authorization to approve and initiate have both the “Employee Changes” and “Approvals” tab.

2. Click on a row to select and open an action.

3. An information box at the top of the screen provides the below information about the employee:
   a. Name, PERNR, Position and Org Unit
   b. Pay: The pay cycle and exemption status
   c. Status: Displays the employee’s current status of Active or Withdrawn in SAP
   d. Recent Actions: Displays the user who currently working the action. It also displays any action(s) for this employee that have already submitted or completed
