Telecommuting: For an individual where the permanent address and work physical are the same (work from home), please do not put their home address in address line 1 of the work physical location. Address line 1 of the work physical location downloads into JHED. For privacy reasons, we do not want an individual's home address in JHED. In these cases, please populate the work physical address as follows:

Line 1: Telecommuting	State: State of permanent Address
Line 2: Street Address	Zip: Zip of permanent Address
City: City of permanent Address	Work Telephone: Leave blank

- **Remove all commas, periods, dashed and adjust words that are in all caps.**
