The following steps illustrate how to locate rehire for eligibility status in SAP.

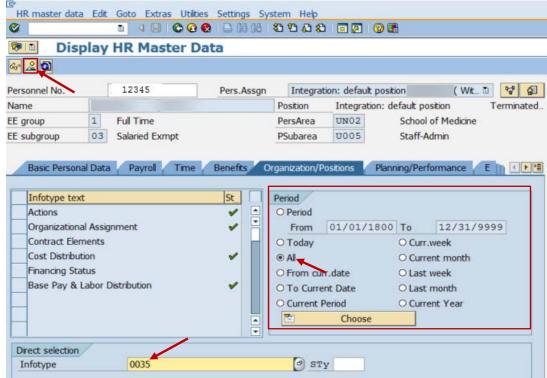

1. Open ECC and type **PA20** in the Command Field.

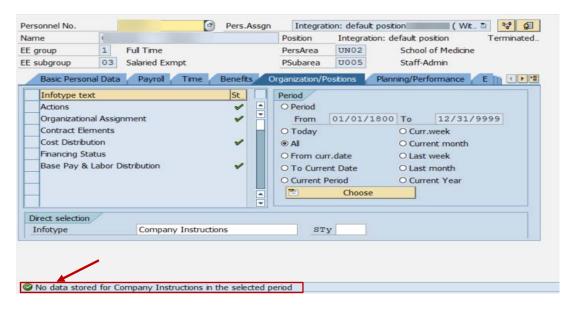

Enter the Personnel Number (pernr) in the Personnel No. field and press Enter on your keyboard.

- 3. Under the Period section, click All.
- 4. Enter 0035 in the Infotype field and click Overview

5. If the employee **IS** eligible for rehire, Company Instructions note will appear at the bottom of the screen.

6. If the employee is **NOT** eligible for rehire, Company Instructions details will display.
